

TRHA FRAMEWORK AGREEMENT FOR THE SUPPLY OF GOODS

The Tobago Regional Health Authority (TRHA), Tobago invites vendors to enter into a Framework Agreement over the next twelve months for the provision of the undermentioned goods:

Category of Goods: Non-Pharmaceutical/ Medical Consumables

Service Category: Medical Items

Valid From: 20th May, 2024

Valid Through: One year period

Terms of Reference:

This Framework Agreement is made on the date set out above subject to the terms set out in the schedules and appendix listed below (“Schedules”). The TRHA and the Supplier undertake to comply with the provisions of the Schedules in the performance of this Framework Agreement.

This framework agreement will take the form of an Open Framework Process. Suppliers are required to quote on the unit and extended cost of the relevant products within the field provided. A brief description of the items quoted must be provided within the field given. Three (3) Bidders will be selected as part of the framework agreement based on price, availability and quality of stock.. The Authority reserves the right as the procuring entity to facilitate additional bid competition if this becomes necessary.

Please quote unit price for the one-year period in the stipulated box assigned to the estimated average weekly quantities.

Additionally suppliers are expected to register with the TRHA and initiate the process to become prequalified with the TRHA via the OPR depository database.

Framework Evaluation Criteria:

The evaluation format will be a least cost selection method. The Evaluation Committee will score responses based on the criteria’s below. Bidders are to attain a mid-mark of 25% or above in each criterion. The preferred bidder will be selected based on the most competitive cost among the bidders attaining 25% in the two technical categories i.e. **Demonstration of organisational competence and capacity and Quality of Product/Illustration of Product Specification.**

Framework Criteria

CRITERIA	POINTS
Demonstration of organisational competence and capacity	50%
Background in the supply of similar items	
Qualification of Management task team composition	
Identification of suitable sales representative	
Proposed delivery schedule	
Proposed methodology for supporting the Demand management system in alignment to the TRHA's estimated consumption rate.	
Quality Standards in relation to packaging and distribution of medical products	
Submission of references	
Quality of Product/Illustration of Product Specification	50%
Total	100

Condition of Agreement:

1. Price quoted to be maintained for a period of one year and shall be valid from the dates set out above **and valid through the one-year period.**
2. Variation clause of 5% adjustment may be attributed based on extreme and valid justification of the need to amend the unit price.

Contractual Documents:

This framework agreement shall include the following contractual documents:

- Purchase orders
- General Conditions of Purchase
- Specifications
- Any documents drawn up by the Supplier that TRHA expressly agrees to include in the agreement

Entry into Force and Duration of the Framework Agreement:

The agreement comes into force on the date of its signature by the two parties (TRHA and Supplier). It is valid for a period of one year and renewable upon completion of the agreement's term. The two parties shall communicate prior to the expiry date of this framework agreement to determine whether they wish to renew the agreement and, if so, under what conditions (framework review). The renewal will be confirmed by means of a rider to the initial agreement.

Purchasing Procedure:

Pursuant to this framework agreement, TRHA shall issue purchase orders by electronic mail and in accordance with its needs for the duration of the agreement to which the terms of this agreement shall apply in full.

The purchase orders shall refer to this framework agreement and specify for each article to be delivered:

- Supplier product description
- Supplier product reference
- TRHA product reference
- Quantity and packing
- Unit price carriage paid in TTD, exclusive or inclusive of tax
- Method and terms of payment
- The Supplier shall confirm orders by sending an acknowledgement of receipt with identical terms within two (2) working days of receipt of the purchase orders.

Packaging/Packing:

In the absence of any special instructions, the Supplier shall take all useful and necessary precautions to ensure the protection of the products during shipping and handling. TRHA reserves the right to refuse any products delivered in faulty packaging. The packaging of all the components parts of a single product shall be marked with the supplier's reference. Each package shall be marked with the following information:

- package number (e.g. 3 / 4)
- gross weight of package
- package size
- delivery slip containing the following information:
 - delivery slip reference
 - delivery address
 - product description,
 - supplier reference and quantity of the products in the package, as well as items remaining to be dispatched
 - serial number

Delivery:

On delivery of items, it should state that items /goods are received in good condition, and signed by all the relevant parties to the transaction.

The Supplier undertakes to deliver the products ordered by TRHA to the address specified on the purchase order.
