Description of Requirements:

The Tobago Regional Health Authority invites eligible Consultant, to develop an Organizational Structure consistent with its changing organizational direction, strategic plan (in development), operating processes, new technology, client needs; and changes in government policy.

The last approved structure of the organisation was approved in 2011, with a staff complement of 1067; the organisation has a current staff complement of approximately 1860 employees.

Terms of Reference:

The Tobago Regional Health Authority was created by Act No. 5 of 1994 and has responsibility for the provision of healthcare services throughout Tobago. The Secretary of Health Wellness and Social Protection has responsibility for the Health Sector in Tobago and, by extension the TRHA, which is governed by a Board of Directors. The Chief Executive Officer leads the day-to-day operations of the organisation.

The TRHA's mission is to promote and deliver client focused, cost effective, efficient, equitable, holistic and quality health care in a humane and suitable manner, by staff committed to excellence and professionalism. Key services are offered at the Scarborough General Hospital, the newly opened Roxborough Hospital, and a network of Primary Care Health Centres.

The Consultant while redesigning the organizational structure will be required to:

- Review the Authority's current organizational structure in conjunction with the Strategic Plan 2024-2030 which is currently being developed, review Job Descriptions and any other relevant documents to determine the organization's gaps in staffing need, alignment in inefficiencies, redundancies etc.
- Engage the relevant stakeholders (internal and external) inclusive of Executives, Managers and Supervisors of the TRHA to determine the organizational needs at the departmental level and revised/update the overall organizational structure in alignment with the Strategic Plan.
- Benchmark with the Ministry of Health and the other Regional Health Authorities as necessary to ensure that the proposed structure is in alignment with what obtains nationally and in the public sector.
- Identify the positions for immediate staffing, and those to be filled at different stages, to achieve the objectives of the Strategic Plan.

Deliverables
